- [Chickamauga Lake](#) (20-40 minutes): Located a short distance south of Dunlap, Chickamauga Lake is a popular fishing destination. The lake is known for its abundant bass population, including largemouth, smallmouth, and spotted bass. There are several marinas and public boat ramps where you can launch your kayak or fishing boat.
- [Cherokee Removal Memorial](#) (40 minutes): Cherokee Removal Memorial Park is a public park dedicated in memory of the Cherokee who were forced to emigrate from their ancestral lands during the Cherokee removal, in an event that came to be known as the Trail of Tears.
- The [Tennessee Valley Railroad Museum](#) (Chattanooga): This museum offers visitors a chance to step back in time and experience the golden age of railroading. The museum features a remarkable collection of vintage locomotives, passenger cars, and other railway artifacts, beautifully restored to their former glory. Visitors can take a ride on a historic steam or diesel train, immersing themselves in the sights, sounds, and nostalgic ambiance of rail travel. The museum also hosts special events throughout the year, such as themed train rides, holiday excursions, and educational programs.
